REF. 19 - PROJECT APPROVED FOR THE CONSTRUCTION OF VILLA AT LAKE DI CAVEDINE.

CAVEDINE - (TN) - TRENTINO ALTO ADIGE

€ 365,000.00

At Lake Cavedine, in one of the most picturesque and peaceful areas of Garda Trentino, we are offering for sale a building plot of approximately 1,500 m2 with a project already approved for the construction of an independent villa. The property is located in a natural setting of great charm, surrounded by the greenery, silence and beauty of the Trentino landscape. The location offers the possibility of creating an exclusive villa of approximately 200 m2, with a splendid lake and mountain view, ideal for those who want to live immersed in nature without sacrificing the convenience of the main services. The project is already authorized, an important advantage for those who want to shorten the construction time and customize their future home according to their own style. A rare solution in the real estate market of the Trentino lakes, perfect as a private villa, holiday home in Trentino or real estate investment in Alto Garda. A unique opportunity to build your lake-view villa in an authentic corner of Garda Trentino, where nature, privacy, and quality of life take center stage. Contact us to find out about the project. _____ Lake Cavedine building land, Lake Trentino view land, Lake Cavedine villa under construction, Garda Trentino real estate, Alto Garda building land, house nearby Lake Cavedine, Trentino real estate investment
