In a small new building, we offer an elegant three-room apartment on the ground floor with private garden. The flat offers a functional and bright layout of spaces: the entrance leads to a spacious south-facing living area, enriched by large windows that provide wonderful natural light. The sleeping area comprises two bedrooms and two bathrooms, one of which is windowed. The garden adds a touch of exclusivity and relaxation, ideal for those seeking direct contact with the outdoors. A garage and a cellar in the basement complete the property. Built with high quality finishes and attention to detail, this flat represents a unique opportunity for those wishing to customise their home during the construction phase, with delivery scheduled for the end of 2025.
