Confidential negotiation

In the sunny and sought-after hamlet of San Giorgio di Arco, in a flat, very quiet area surrounded by greenery, stands the new "Residenza Tre Tulipani". We offer for sale beautiful apartments under construction of various sizes, ideal for those looking for a contemporary, energy-efficient and fully customizable home. The strategic location of this new building in Arco guarantees maximum independence and very easy access to all main services, cycle paths and connections to the centre of Arco and Lake Garda. The residential complex offers various housing solutions designed to ensure maximum thermal and acoustic comfort: Ground Floor Apartments: Functional and bright solutions featuring a large private garden, perfect for experiencing the house outdoors. Apartments on the Upper Floors: Characterized by large windows and served by spacious habitable terraces with splendid sun exposure. Custom interiors: Being properties under construction, you will have the option to customize the interior layout (two-room, three-room or four-room) and choose the finishes from a high-end specification. Appurtenances and Comfort: Each unit includes the ability to combine comfortable private garage boxes in the basement and parking spaces. Discover your new home in Arco: Your new home takes shape today. The first units of the Residence Tre Tulipani are already available for reservation on the card.
