

# REF. 46 - NEW RESIDENZA OLEANDRI

RIVA DEL GARDA - (TN) - TRENTINO ALTO ADIGE

 Confidential negotiation

Your New Beginning, Exactly As You Imagine It. Are you tired of the same old apartments? Looking for the perfect combination of the tranquility of a sunny area and the comfort of the city center? The new RESIDENZA OLEANDRI residential complex is born, a cutting-edge housing solution where the real designer... is you. Why choose this new construction? Tailor-made project: The apartments are currently under construction. This means you have the total power to customize the interior layout of the premises (do you want a giant open plan or a habitable kitchen? An extra room or a dream walk-in closet?) and to choose the finishes that most reflect your style from our high-end specifications. Light and Wellness: Located in one of the sunniest and most exposed areas of the city. Bright environments, large terraces or gardens and large windows to experience the house at maximum comfort. Strategic Position: Forget the stress of the car. The construction site is located just steps from the center and all essential services (schools, shops, public transport, parks, schools), guaranteeing you an unparalleled quality of life. Energy Efficiency: Latest generation technologies, top thermal/acoustic insulation and minimized consumption (Energy Class A+).   From paper to reality: Make the house you've always wanted, without compromise.  Don't let anyone else choose the best apartment! The work is in progress and the first solutions are already available for booking. Contact us today to view the projects, discover the specifications, and start designing your future.
