REF. 46-11 - TRILOCALE PENTHOUSE UNDER CONSTRUCTION

RIVA DEL GARDA - (TN) - TRENTINO ALTO ADIGE

Confidential negotiation

If you're looking for exclusivity, maximum confidentiality, and a breath-taking view every day, this is the opportunity you've been waiting for. Within our new, energy-efficient construction site, we offer for sale a splendid penthouse, sun-kissed and located just steps from the center and all amenities. The property, currently under construction, was designed to offer the utmost comfort and prestige: an open-space living room with a kitchenette flooded with natural light, two large and comfortable bedrooms served by a modern bathroom. A nice habitable terrace where you can dine under the stars and relax in your outdoor lounge area. Being still under construction, this penthouse is a blank canvas: you have the unique opportunity to modify the interior layout to perfectly suit your habits and choose the finishes (floors, upholstery, doors) from a top-notch specifications, giving your own imprint of style to every detail. Living in a penthouse means having no one above your head except the sky. Penthouses are always the first to be sold. Don't miss the opportunity to secure the most prestigious solution of the complex, a stone's throw from the center but immersed in light and tranquility. Contact us now to book an office appointment, view plans, and start customizing your future home!
