In the well-served hamlet of Vigne, in Arco, just a few kilometres from Lake Garda, we are offering for sale a three-room ground-floor flat with a separate entrance, situated in a small building comprising just a few residential units. The property features a private courtyard, which can be used partly as a parking space and partly as an outdoor area belonging to the property. The separate entrance leads into a hallway, connected to the cellar, which acts as a buffer between the entrance and the living area. The flat, which has been recently refurbished, has independent underfloor heating and comprises a living room with a kitchenette, a landing, a bathroom with a shower and two bedrooms. Available immediately and offered at an attractive price – an opportunity not to be missed.
