ARCO - (TN) - TRENTINO ALTO ADIGE

€ 399,000.00

Do you dream of a new, spacious and completely tailor-made home for you? In Arco, we offer you an exclusive real estate opportunity: splendid newly built apartments, with delivery scheduled for April 2026, which combine luxury, comfort and sustainability. This splendid apartment, located on the ground floor, offers you the privilege of a large private garden, perfect for enjoying moments of relaxation outdoors. A further added value is direct and exclusive access to the cycle path. The property boasts large spaces and fine finishes. It has a double bedroom, ideal for ensuring privacy and comfort, and offers the opportunity to create a second bedroom, perfect for large families or for those who want an additional study or hobby room. The apartment is equipped with a complete bathroom, designed for maximum functionality and design. In the basement, you will find a comfortable garage and a cellar. What makes this proposal truly unique is the total customization of the interiors: you can choose every detail, from finishes to materials, to create the environment you have always wanted. The apartment is in energy class A+, guaranteeing not only significant savings on management costs. The property includes a common green area and outdoor parking spaces.
