

SOLD! TERRACED VILLA UNDER CONSTRUCTION

LEDRO - (TN) - TRENTINO ALTO ADIGE

€ 398,000.00

Attractive and very convenient, sunny terraced house under construction in the municipality of Tiarno di Sopra. The property is located in a fantastic, quiet, sunny position surrounded by nature. The house is on 4 levels, with a large garage and cellar on the ground floor. On the first floor entrance, large open plan living area with kitchenette, bathroom and balcony with mountain view. On the second floor 2 double bedrooms, bathroom and second panoramic balcony. On the third floor large attic room ideal for making a third bedroom. The property includes parking space and private garden. Thanks to the state of the works, there is the possibility of customising the property with interior finishes and materials. Energy classification A+. Solar and photovoltaic panels included in the price, as well as triple-glazed windows and armoured door. Truly unique opportunity to move to a magnificent place as a resident, or as a holiday home being only a few minutes away from the beautiful and romantic Lake Ledro.
